EXPERIENCE

LARAVEL DEVELOPER

April 2021 - Till date | [Vultik Solutions](#)

After getting some experience, I was hired as **backend laravel Developer** at [Vultik Solutions](#) in April 2021. Vultik serving its Services all over the world especially in USA and European countries. Vultik mainly focuses on delivering high quality software solutions which enable customers to achieve their critical IT objectives.

WEB DEVELOPER

Oct 2020 - March 2021 | [Xypher Technologies](#)

As soon I graduated I was selected as **Jr. web Developer** at [Xypher Technologies](#) in November 2020. Xypher technologies Pakistan is a company who helps fresh graduates by providing an internship. I successfully completed my three months internship at xypher technologies.

CERTIFICATES

WordPress Development - 2020

I had done detailed course with certification under BXTrack software house and learnt briefly about WordPress web Development.

Web Development - 2017

I had done detailed course with certification at BXTrack software house. I learnt how web applications works, developing software from scratch and testing it.
